

# Short courses for

# PROFESSIONAL DEVELOPMENT

## TAILORED TRAINING SOLUTIONS: AUGUST 2021 - DECEMBER 2021

The Isle of Wight College is fully committed to meeting the skills and training needs of the Isle of Wight business community.

Whether you are looking for recognised qualifications, training to meet government legislation or short courses to up-date employee skills, we can offer training that will make a real and positive difference to your business.

|                          |           |                             |       |
